SUBJECT : Survey of CIA Regulations

25X1A

1. In paragraph 5.a. of the memorandum proposed for your signature, [REDACTED] has indicated that we are in process of working out a satisfactory solution to the Regulations Control Staff problem. I do not believe it is of sufficient importance to redraft the present paragraph but knew you would be interested in hearing that we had completed this action.

2. Of the 10 positions formerly in the Regulations Control Staff Unit assigned to support the DD/P, 6 positions were transferred to my staff as the Publications Control Unit on 26 February. This is the group under [REDACTED] which will, as it has in the past, work directly with me and Mr. Hulick in developing, coordinating and issuing Clandestine Services and Agency issuances. The other 4 individuals continue to be carried on the Regulations Control Staff T/O of the Management Staff, and will appropriately provide those aspects of support for which Management is responsible to the DD/P.
